 <p>Swiss Federal Commission for Scholarships for Foreign Students (FCS)</p>	<p>These scholarships aim to intensify scientific and cultural relations. Postgraduate students applying for such scholarships in the framework of a (future) collaboration between the academic institutions (institute, laboratory) in their home countries and Swiss institutions will be given the priority. Priority will also be given to fields of study which have a particular importance for both their countries and Switzerland and which could lead to a lasting collaboration between the two countries. In principle, the recipients can study at any Swiss university or Federal Institute of Technology and the universities of applied sciences. For fine arts and music, scholarship holders can attend the respective public schools and conservatories.</p>	<p>These scholarships are provided by the Federal Department for Foreign Affairs and they are valid only for postgraduate studies in Switzerland.</p>	<p>German, French, Italian, English</p>	<p>The FCS assumes none of the study fees. In a special allocation programme, the Swiss government, through the FCS is offering 30 - 40 scholarships for students from Central and Eastern Europe for the 2007-08 academic year. These scholarships are intended for postgraduate students. Application forms are available at the competent Swiss embassy. The scholarship amounts to a monthly payment of SFR 1,820 per month for postgraduate, fine arts and music students. The detailed conditions for scholarships vary according to the country group (to countries listed under AR, AP-1 and BR-1)</p>	<p>SEE countries</p>	<p>Deadline for submitting applications to the competent Swiss embassy for the 2007-08 academic year: 24 November 2006.
