<p>Hoover Fellowship (Chaire Hoover)</p> 	<p>Economic or Social Ethics. The main research themes of the members of the Hoover Chair are particularly welcome: relationship between social justice and individual ethics, the tension between cultural diversity and economic solidarity, linguistic justice, the future of European welfare states, the legitimacy of tradable quotas, the respective potentials of corporate social responsibility and representative democracy as instruments for the achievement of ethical goals, deliberation and publicity in collective decision making. To see more, consult the website.</p>	<p>Postdoctoral fellows, the "Chaire Hoover d'éthique économique et sociale" and "Hoover Foundation", Faculty of Economic, Social and Political sciences of the Université Catholique de Louvain (UCL), Louvain-la-Neuve, Belgium</p>	<p>English and/or French</p>	<p>The Hoover Chair hosts every year a number of post-doctoral fellows from outside Belgium, who hold a doctorate or possess equivalent qualifications and are active in the field of economic or social ethics. Fellows with no other source of income are offered an all-inclusive gross monthly stipend of EUR 2000 for a period not exceeding 4 months. Fellows on paid leave from their own institution are offered a contribution to their travelling and housing expenses.</p>	<p>All countries</p>	<p>28th February 2007</p>	<p>http://www.uclouvain.be/ http://www.uclouvain.be/en-chaire-hoover.html</p>
